## A Clever Trick.

It certainly looks like it, but there is really no trick about it. Anybody can try it who has Lame Back and Weak Kidneys, Malaria or nervous troubles. We mean he can cure himself right away by taking Electric Bitters. This medicine tones up the whole system, acts as a stimulant to the Liver and Kidneys, is a blood purifier and nerve tonic. It cures Constipation, Headache, Indigestion, Sleeplessness and Melancholy. It is purely vegetable, and laxative, and restores the system to its natural vigor. Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c. a bottle at Robertson & Gilder's and Pelham's Drug Store.

## Death of Mrs. J. J. Booser.

Mrs. Georgie Booser, wife of Dr. J. A. Booser, of Clinton, died last Sunday night at her home in that city, at 10 o'clock after an illness of some weeks. Mrs. Booser was greatly beloved and her husband and children have the deep sympathy of a large circle of friends. Mrs. J. R. Little, of this city, Mrs. Robert Thompson of Summerville, Miss Annie Booser and Mr. George Booser, of Mississippi, are among her sorrowing children.—Laurens Advertiser, 11th.

Dr. Booser is a brother of our townsman, Mr. S. P. Booser, and has many relatives and friends in Newberry who deeply sympathize with him and his loss.

## OUR PROSPERITY BUDGET

ALL THE NEWS OF A LIVE AND PROGRESSIVE TOWN.

[Special Correspondence Herald and News]

There has been another fire in the Dutch Fork. This time it is the out-house, barn, stables, &c., of Mr. H. D. Leaphart. He lost two bales of cotton, two buggies and all his fodder. His corn was in another building and was far enough away to be saved, one mule and cow was very severely scorched. As the fire was at night it was evidently the work of an incendiary.

Death has again invaded this section. This time it is father John Adam Bedenbaugh. He has been for over 50 years an officer in St. Luke's Lutheran church and for over 30 years was Superintendent of the Sunday school and only gave up this work some years ago on account of advancing years. He was over 82 years of age and went to his rest with a record that any of us might well wish to have when we are called away.

Mr. K. D. Lake, a former resident of our town and for many years agent of the C. & G. R. R., was buried in Prosperity cemetery, Tuesday, January 10th. Mr. Lake's death was very sad. On the 1st day of January his wife died and he carried her back to her old home in Lancaster County, near Van Wyck, for interment and while on this sad mission was taken sick and died on the 9th. He was brought back here and laid to rest beside his mother, Rev. Ariel performing the burial ceremony and preached the funeral sermon.

Mr. Z. Wright Dennis, who so recently took unto himself a helpmate, has moved into the Bedenbaugh house on McNeary street adjoining Dr. J. B. Simpson's.

Two of our enterprising citizens, Messrs. S. L. Fellers and J. C. Counts, have sold several thousand rods of a new and very practical wire fence. Call and see it.

On Tuesday of this week we met an old lady that is a prodigy. She is 82 years old and is as spry as many women at 50. She does not use glasses and lives all alone half a mile from any one.

Mrs. Betsey Setzler is well known and well preserved. Mrs. A. H. Miller, of Mt. Pilgrim, is a daughter of hers and whom she was visiting at the time she was in town. It will not be long before these links that bind us to the distant past will be broken and the places now filled by them will be vacant forever. Just to think that through these aged ones we can go back for one and a half centuries in recollections, and what advances have been made in that time.

Many thanks, Chips, old man, come out again and help us sing. Josh, you just ought to have seen Chips sing. You would have thought that he was a regular singing school master.

Miss Fannie Abel, of Chester, is visiting Miss Lula Mosley.

Mrs. Swearingin, sister of Mrs. M. C. Morris, who has been visiting here, has returned to her home in Columbia.

Mr. J. W. Powell paid a flying visit to our town last Tuesday.

Mr. S. L. Birge went to Fairfield Tuesday. We fear Geo. Wm's visits are getting too frequent and there is more in these trips than buying and receiving groceries.

Stock taking has been all the go in town since January 1st and the work is not done yet.

We had a very pleasant call from Mr. J. Burr Mills last week and he left with us a gentle reminder for the H. and N. Mr. Mills is one of our progressive farmers.

Messrs. E. B. and R. L. Luther left Tuesday morning to buy mules.

The trains on the C. N. & L. R. R. have made some very important changes. The usual evening train out of Columbia has been taken off and a train now leaves there at 12.30 at night passing here at 2.30 a. m. Train No. 1 lies over at Prosperity and leaves here at 6.45 a. m. and returns here at 8.30 p. m. as No. 2. The train into Columbia in the morning still runs. The Southern took off her train and the C. N. & L. puts one on, so we still have quick and close connections with Atlanta.

Mr. S. J. Kohn (Cap) has gone West to look up some stock and will be on the market shortly with mules and horses.

At the regular annual meeting of Grace church council all the old officers were re-elected as well as the Sunday school. Owing to the additional work that has been undertaken by the superintendent of the Sunday school in the primary department, Prof. Rufus Counts was elected as second assistant to the superintendent.

Capt. H. S. Booser, who has been confined to his room, we are glad to note that he is able to be out again.

Messrs. F. V. Capers and D. H. Witherspoon have gone to Columbia to work on the State printing.

Uncle Squire Feagle, of the Klondike, was in town last Thursday and Friday.

Mr. L. W. Floyd of your city was in town on business Tuesday.

Col. Geo. Johnstone was in town on Tuesday in attendance upon a trial in which he represented the defendants. Crosties are coming in in large quantities and will average fully 200 a day now. No one ever thought that there could possibly be as many gotten out and sold here as there has been. Something over 30,000 representing at least \$7,500 paid out for them.

Our friend J. T. Browne (Tammany) has gone on a visit to Abbeville and is spending the week up there basking in the sweet smiles of — well we are not going to tell any tales out of school, but we know he was charmed

with the singing—. Mr. John Browne is manipulating the key while he is away and holding down the Southern.

The president requests that all who can will please attend the business meeting of the Luther League on next Friday night.

The president of the missionary society informs me that the Divine Reading will be given about the 2nd Friday in February. There will be some very fine music, songs, recitations and readings, and all who attend can spend a very pleasant hour and help on a good cause.

Mrs. Lou Hunter, of Newberry, has been on a visit to her son, Jos. H. Hunter, Esq., of our town.

Dr. C. T. Wyche left for Columbia to attend the session of the General Assembly.

The fertilizer drummer is abroad in the land again for the coming season, but unless all signs fail there will be less of the stuff sold this season than last and from what we hear it will be bought in many instances for cotton.

This in our opinion is the safest way to buy it. Others differ from us and so it goes. "Many men of many minds &c."

Rain, rain for the past two or three days. The rain will retard our sowing for a spring crop. As we write the north wind is blowing and the trees and fences are covered with its winter mantle of ice.

We had the pleasure of shaking Clod-hopper's hand on Tuesday. He and I were schoolmates, and attended the same Sunday-school, and we still find a pleasure in meeting and greeting one another and swapping experiences and wishing each other well. We are always glad to meet the pencil pushers of the Herald and News force. We must have our picnic this year.

Rev. A. G. Kirkpatrick filled his regular appointment last Sunday at the Brick Church. There will be preaching by him in his church in town next Sunday. Rev. Blanton held his usual services last Sunday morning. Dr. Hallman was away at Tabor, and Rev. Arl was over at his churches on Broad River.

Regular services in the churches next Sunday. KAY.
